

## PROFIT SHARING PROGRAM

Real Estate Agents are the lifeline of our company and we hope that our company continues to grow and improve service to our Agents.

1. **For the first year, you would earn 50% of the company commission dollar, exclusive of transaction fees and E&O insurance.**
2. **For the second year, you would earn 25% of the company commission dollar, exclusive of transaction fees and E&O insurance.**

**These bonuses would be valid as long as you are an active Realtor with Coral Shores Realty.**

As an example:

On a 90/10% commission plan, your bonus income would be based on our 10% share. On a total gross commission of \$6,000; Coral Shores Realty would earn \$600 (10%). From that 10%, you would earn a bonus income of 50% which is equal to \$300 on that transaction (during the first year).

On a 100% commission plan, your bonus income would be based on our monthly fee of \$349 per month and you would earn \$174.50 (during the first year).

We look forward to everyone's participation and want to thank everyone in advance for your support!
